

Tie Breaker Rules

In case of ties in the standing for all divisions, the following tie breakers apply:

- 1) If 2 teams have the same record, the team that won the head to head game wins the tie breaker.
- 2) If there are more than 2 teams with the same record, then the tie breaker will be decided by the point difference in all games played. Please look at the chart below for an example. All 3 teams ended with 2 wins and 2 loses.

Team A	Team B	Team C
Win + 2	Lose -15	Win +25
Lose -10	Lose -9	Lose - 3
Win +5	Win +7	Lose -2
Lose -2	Win +10	Win + 11
Difference -5	- 9	+31

So in this example, Team C would win the tie breaker with +31, Team A will be second with -5, and Team B will be last with -9.
