切磋技藝齊強身 和睦團結全僑心

Dear Sponsors and Community Leaders:

The annual Taiwanese & Chinese American Athletic Tournament is once again upon us. The athletic tournament is one of the biggest events for the Taiwanese and Chinese American communities in the bay area. This year also marks the 24th anniversary of the Taiwanese and Chinese American Athletic Tournament. We kindly request your attendance and participation in this year's athletic tournament. The opening ceremony will start at **8:30 a.m. on Sunday, June 22, 2008, at De Anza College.**

The athletic tournament this year includes 20 sporting events: track and field competitions, swimming, tennis, badminton, soccer, table tennis, volleyball, softball, bowling, target shooting, tug-of-war, basketball, golf, martial arts, fun games and performances from Taiwan. In addition, the athletic tournament continues to include special sections for children with special needs, a parent-and-child tennis double section, a football exhibition game, painting competitions ...etc.

Community organizations from Taiwan and throughout the Bay Area have also prepared various performances for the Opening Ceremony. Throughout the day, martial artists from many countries will compete in the gymnasium, and the booths in our festival area will serve up diverse and delicious food and snacks. Other performances throughout the day include art, dance, and martial art exhibition by well-known individuals and organizations in the Bay Area.

We would appreciate your financial support and will recognize your generosity by publishing the names of our donors in our Athletic Tournament Program. For your convenience, we have included with this letter: (i) a short description of the Taiwanese & Chinese American Athletic Tournament; (ii) a donation form; and (iii) instructions for renting a booth during the athletic tournament. With your generous support, the 24th Taiwanese and Chinese American Athletic Tournament will be even more successful.

Thank you for helping us continue this great tradition within our community.

Sincerely,

Wendy Wu
Chairperson, TCAAT Planning Committee
